

'Superworm' Home Learning for Reception

Reading

- What happened at the beginning? Middle? End of the story?
- Can you learn the words to part of the story off by heart? "Superworm is super long...". Can you come up with actions to go with the words?
- What was your favourite part of the story? Why?

Writing

- Write your own acrostic poem about Superworm using the poem template!
- Oh no! Wizard Lizard has put a spell on Superworm! Can you write your own magic potion to cure Superworm? Use the potions template to help you.
- Can you draw Wizard Lizard and label the body parts? Use the lizard labelling page to help you.

Maths

- Order the worms from shortest to longest.
- Complete the money matching worksheet.
- Complete the ice cream cones money worksheet.

Extra Learning

- Science: If you have the resources to, make your own wormery!
- Music: Can you learn the worm rhymes off by heart?
- PE: If an adult has Instagram, join Mr Ross' live PE lessons on Tuesday and Thursday morning! @stmatthiasn16
- Art: Make your own lizard mask!
- Science: Learn some facts about worms using the fact cards.
- Cooking: Can you help an adult to make some wormy spaghetti? You can even add red food colouring to the pasta! If you're not going to eat with it then ask an adult if you can use it for messy play!
- PSHE: Did Superworm's friends give up when he was captured? No, they kept on going! Try to challenge yourself to do something tricky this week and don't give up!
- Virtual tour: Birds love to munch on juicy worms! Watch some live birds here:
- <https://explore.org/livecams/birds/decorah-eagles>
