

Crocodile Long and Green Song

(Sing to the tune of 'Twinkle, Twinkle, Little Star'.)

Crocodile long and green,
He's so big and very mean.
Made himself look like a tree,
But his plan wasn't to be.
Crocodile long and green,
He's so big and very mean.

Crocodile long and green,
He's so big and very mean.
Made himself like a see-saw,
But his plan won't work for sure.
Crocodile long and green,
He's so big and very mean.

Crocodile long and green,
He's so big and very mean.
Stood upon on a roundabout,
Roly-Poly gave a shout.
Crocodile long and green,
He's so big and very mean.

Crocodile long and green,
He's so big and very mean.
When he went to a picnic place,
He got sent to outer space.
Crocodile long and green,
He's so big and very mean.
