Daily Activities

MATHS

Keep practising your number bonds to 5, 6 and 10. These are very important!

READING

Please read a bedtime story each day. If you have internet access, stories can be found on YouTube.

Physical, Social & Emotional Development

Try the high 5 meditation, I will explain what to do in our zoom call!

Design your own special box – what will you include that's all about you? What do you enjoy doing? What's your favourite animal? (see worksheet in zip file)

Understanding the World

What are the similarities and differences between these places? (North Pole, Rainforest, London) Think of as many as possible!

WhatsApp a picture of any completed work to me and we'll share it during our celebration zoom on Friday!

Nursery & Reception's Book Corner

Here is Ms Rosser reading this week's story, 'No Dinner'.

Most of the activities are based around this story, so please watch this video first:

<https://www.youtube.com/watch?v=xTS8rDQU1Ec>

How would you describe the old woman? Why did she go to her Granddaughter's house? Who is your favourite character in the story and why? Is this story similar to any others that you know? Which ones? How is it similar or different?

Virtual Tour of the Week

Watch the wolves at the International Wolf Center! What are they doing? What is their habitat like?

<https://worldcams.tv/united-states/minnesota/international-wolf-center>

Get Creative!

Follow the steps in this video and learn how to draw a tiger!

<https://www.youtube.com/watch?v=kAx8-pFj2CU>

Can you paint one of the animals from the story in its natural habitat? Where does it live? What is around it?

Mini Mash

Visit: www.purplemash.com/sch/stmatthiasn16 and login with the details sent to you. Select 'Mini Mash' when you log in. Complete these activities by the end of the week:

When you log in to Purple Mash, look at your '2dos' (red button in the top left corner) and complete what you can. Continue to explore 'Mini Mash' freely.

REMEMBER TO STAY SAFE WHEN YOU USE THE INTERNET AND TO TALK TO A TRUSTED ADULT IF YOU NEED TO.

Maths

Look at the different animals. How many legs do they each have? Do some simple addition and subtraction sums using animal legs! i.e. I have 2 horses (8 legs), another one joins (4 legs) how many legs are there altogether? **For more learning, I'll send some worksheets but please also look at White Rose Maths, week 12.**

Writing

Using your whiteboard and whiteboard pen, or a piece of paper and normal pen, choose one of these writing tasks:

- Write about your favourite part of the story
- Draw one of the animals from the story and label it or write some facts about it
- Write about the similarities and differences between this story and another story
