

# At the Tiger Takeaway

First, there are  
**4** burgers.

Then, Tiger  
sells **1** burger.

Now, how  
many are left?

First, there are  
**7** burgers.

Then, Tiger sells  
**2** burgers.

Now, how  
many are left?

First, there are  
**3** burgers.

Then, Tiger sells  
**2** burgers.

Now, how  
many are left?

First, there are  
**5** burgers.

Then, Tiger sells  
**3** burgers.

Now, how  
many are left?

First, there are  
**10** burgers.

Then, Tiger sells  
**2** burgers.

Now, how  
many are left?
