

## **THE THREE EYED MAN**

By Armani

"Why are you doing this evil monster?" sobbed Allen.

"For revenge!" the three eyed man whispered menacingly.

Beneath the school was not an ordinary basement but a torture chamber: a barbed wire cage stood in the middle, a pit of pythons snakes lurked in the darkness, spiders were scattered across

If you ever come face-to-face with him, you'd be lucky to even manage scream or try call for help - you won't come out. He never gets caught the ceiling and a labrinth off fire illuminated the darkness.

As Allen continued deeper into the python cage he shouts "AAAAAAHH!"

"One escaped monster put him back"! Allen shouted

"fine" the predator muttered "ewwww that cage smells like stinky farts" Allen said covering his nose "haha" the three eyed man laughed

"Why are you laughing Mr?" Allen said with fear.

"Just the way you said it you won't get it"

. It's not

sanitary at all; there are dead cockroaches everywhere you go...
