## **Chapter One: X**

**X** walked into the town in human form but he is missing a heart. His skin is as white as a cow's spots and he has a little speck of black on the side of his face. Down the left-hand side was cut on his black and white jacket. As he walked through the empty town the silence filled his pockets and the rip grew bigger and bigger.

Suddenly a woman jumped out from the bushes. She had long hair at the top but not too long and at the bottom she had short hair. Her hair was black and white and her eyes were sky blue but was covered by her hair

. And a little cut on her eyebrow from her abusive parents. X gave one look at her with his glowing pink eyes and he stared at her coldly. The girl looked at him and ran off but X chased her and pinned her to the wall.....

He looked at her for a few seconds before saying "What are you doing here" he said coldly. She whimpered because she is half wolf and half human..... X continued to look at her "You're not white?" he said coldly "I-I-I-I am black and the only one left with a heart....."X eyes widened he picked her up and dumped her in his car he got in the front seat and started to drive away but X felt like there was something wrong so he stop the car and he turned around "your not really black are you" he growled as the growl rolls around the car "I am lily and no i am not black my little sister is but she gets all the fame just because she has a heart don't mean she needs all the fame"X glared at her "Yes she does need all the fame because you know how rare it is to have a heart only two people have a heart so need help to find your sister i need her heart.....

Lilly jumped on him and tried to kill him but X killed her with one click a note dropped from her pocket the note read "Hello brother if you are reading this you must have quick thinking if you can beat my best girl and my girlfriend that you killed so i shall kill you..."

## **Chapter Two: The Paper.....**

X throws the paper in the bin and shouts "who does he think he is!!!!!!!" x shouts overwhelmed "just because he is stronger than me doesn't mean he can kill me!!!!!!!" he shouts louder "or can he.....?" he says quietly \*x picked up his stuff and teleported to his mom house but dropped his stuff without saying hi or hello and he ran up stairs and opened the door, his secret door and he slammed the door shut as the ringing of the sound lingered around the place. He opened a chest which has not been open for 5000 years and he saw inside which change his life forever inside the chest was grimoire (a grimoire is a spell book) he picked up the grimoire and opened it a black Light came out of the book and flew around the room as X read some spells the black light grows and grows as the black light goes inside of him and makes him stronger and stronger.

## **Chapter 3: The Grimoire...**
