## Magic Breakfast Aspiration Day – Thursday 27<sup>th</sup> June 2024

### What is an Aspiration Day?

Aspiration Day is a speed-networking event in which 10-12 volunteers from one of our corporate partners come into your school and speak with a group of 30 students about their career journeys. We also run events online where a panel of volunteers joins your students to talk about careers. The aim of the event is to give young people a more nuanced understanding of the employment landscape and help them understand all the different educational and career paths they could take.

### How does it work?

In person, the event follows a speed-networking format, where each employee will have 5-10 minutes to talk with a small group of young people before a bell rings and the groups rotate around the room.

A photo and filming consent form has been given to your child today. Please sign and return the form to the school office by Friday 14<sup>th</sup> June.

If you have any questions please contact the school office.

Yours Faithfully
