---

Monday 24th June 2024

Dear Parents and Carers,

We are coming towards the end of your child's time at St Matthias school and have organised a number of events to celebrate their time here. You are invited to the following events:

St Matthias Summer Fair - Thursday 27th June, 4-5pm\*

**Y6 graduation - Tuesday 16th July, 9-10am**

Y6 talent show - Thursday 18th July, 4-5pm\*

Y6 prom - Monday 22nd July, 4:45-6:30\*

**Every child has the right to attend their school graduation and this is a special event that takes place every year, where the children wear graduation gowns and receive a gift from the school.**

The summer fair, talent show and prom are all taking place after hours. Parents are invited to the summer fair and talent show but the prom, understandably, is a parent-free zone!

Children in year 6 have been working really hard this year. It has been agreed with Ms Frohock that children, who are unable to uphold the school expectations for both learning and behaviour, will be unable to attend after school events\*.

Unfortunately, some trips have had to be cancelled, due to behaviour in the classroom. With prom, at this stage, we are not cancelling the event but we have made it very clear to children that they must earn their place at prom by demonstrating good behaviour.

Thank you for your support in reinforcing this messaging at home.

Sincerely,

Mrs Blewett  
Headteacher
