

## St Matthias CE Primary School Newsletter

**Friday 6th  
September 2024**

### **Head Teacher's Welcome:**

What a fantastic start to the school term. Your children have come back to school filled with a true desire to learn and be back with their peers in class. A few predictable wobbles on the first day ended with a school full of smiles. We are impressed by how smart your children are- it is the best profile for uniform to date! Just a few classes working on PE kits and then we will all look the part!

Next **Thursday (12th September)** you are all invited to come in and meet your child's teacher at the end of the day. Please come and say hello.

We hope you have seen our special garden taking shape- please let us know if you are a keen gardener as we need some volunteers around the school to look after the plants for a few hours each week! We have plans to plant out lots of lovely spring bulbs with the children.

**News from our classes: What has been the most memorable learning this week?**

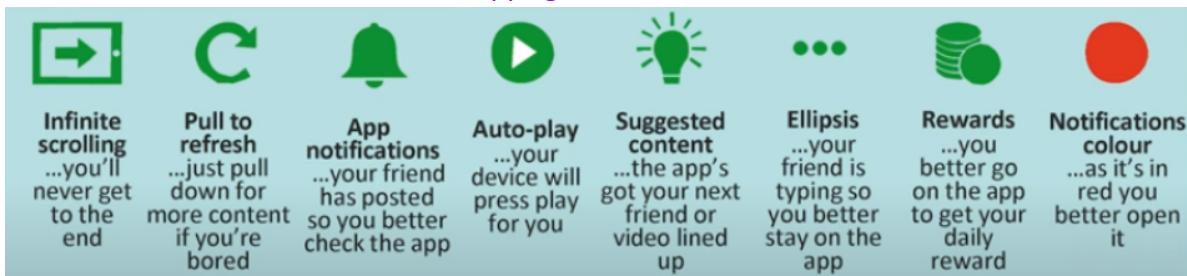

<p><b>EYFS:</b> EYFS have had a fantastic start to the year! All the children have been engaged in the areas of the provision. We have been role playing traffic officers, making our faces with playdoh, having a party in the home corner, using cheerios to count in maths and building towers and trains. We have discussed our class rules and routines and have become familiar with our area. We have also welcomed some new faces to our class and already made fast friends!</p>	<p><b>Year 1:</b> We have had a wonderful week back at school - everyone has been excited to see their friends and ready to learn! We reflected on how we feel moving up to Year 1 and practised lots of new routines to help us transition to our new classroom and timetable. We have appointed monitors to help keep our classroom organised and drafted class rules to keep everyone safe and happy in school! Well done to everyone.</p>	<p><b>Year 2:</b> We have had a fantastic start back at school. Everybody has been excited to return and see their friends. We have been settling into our new classroom, learning about good presentation and discussing what roles and responsibilities we have now that we are in Year 2! We have also been practising our handwriting, phonics and number bonds to ten.</p>	
<p><b>Year 3:</b> Year 3 have had an absolutely amazing start to the term! Everyone has come in ready to do their best learning! In PSHE we all identified what we are most proud of and set ourselves goals for the year. We also thought about what we need to do daily to achieve those goals. Well done year 3!</p>	<p><b>Year 4:</b> Year 4 has had an incredible start to the year. Everyone has shown great collaboration skills to work together to make our class look and run smoothly. We have made a great start in all subjects and are asking lots of questions in order to further our learning. Keep it up Year 4 well done!</p>	<p><b>Year 5:</b> Year 5 have been amazing this week, they have settled in really well, showing persistence and determination in the completion of their work. They have been very good role models especially in lining up after break times. This week we have been thinking about what kind of classroom environment we would like to create for ourselves, year 5 came up with some amazing principles to follow throughout the year.</p>	
<p><b>Year 6:</b> Year 6 has had a fantastic week settling into being brilliant role models for the rest of the school. They have already shown incredible kindness and resilience, both in class and on the playground. This week, we have thought about what our goals are for this half term and for the year in general. We are looking forward to sharing all of the excellent work we do throughout the year.</p>			
<p>School value in focus this week: <b>Service</b></p> <p>Each week the class teacher nominates a pupil in their class who has shown the school value that was in focus.</p>			

The pupils who have shown excellent **service** are:
