**Executive Principal:** Sian Davies • **Headteacher:** Lucy Blewett

Thursday 12th September 2024.

Dear Parents and Carers,

Homework is set for children across the school every Friday and is due the following Wednesday.

Homework is key, as it provides an opportunity for children to consolidate key skills that they have learnt in class. We know that home learning has a huge impact on children's work in class, as well as their long-term learning behaviours and success.

We expect all children to complete the following homework each week:

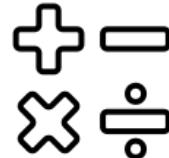

## Daily Reading

## Handwriting/Spelling

Look      Trace      Trace      Copy  
although      although      although  
answer      answer      answer  
appear      appear      appear

## Number Fact

We have invested in subscriptions to the only learning platforms Times Tables Rock Stars (KS2) and Numbots (EYFS/KS1&2). There are fantastic resources that can have a huge impact in improving children's fluency in learning number facts. Each child will be given their login details for these.

Homework is something that children should require minimal assistance in completing, but we do ask that you support and encourage your child to complete their homework.

Thank you for supporting our child with this work. If you have any questions regarding homework, please speak to your child's teacher or come and see me.

Many thanks,  
Miss Frohock  
Deputy Headteacher
