Executive Principal: Sian Davies • Headteacher: Lucy Blewett

Dear parents,

Reading is a fundamental part of our school curriculum and we aim to give your children a wide range of opportunities to read and be read to every day. To further support your child to develop their reading skills, we will also be sending home a range of different books for them to read alongside you.

Monday	Wednesday	Friday
Reading for Pleasure book 	RWL book + Book Bag book 	Talk Through Stories book 
Parent reading	Independent reading	Parent/Independent reading
Return: Daily	Return: Friday	Return: Monday

In order to make sure these books are handled with care and returned in good time, all children must have a book bag or rucksack with them every day. Class teachers and support staff will be keeping a record of books sent home, and should they not be returned or should they suffer any damage, there may be a cost as books are a very important resource we share with children.

Please do not hesitate to contact me if you have any further questions.

Happy reading!

Ms Cherid  
SENDCO
